Dear Abe:

I just received a letter from Posey asking me to go west with him from the 5th of June on. This is the period I asked you to take care of me, from June 5th to 15th.

Please send me a note confirming the dates, so I can write Posey and refuse his offer. I do not want to hold him up any longer than necessary, so I will appreciate an answer from you right away.

Very Truly Yours
